

## **GUARANTEE**

Embrace Design products are guaranteed for a period of 3 months as from the date of purchase under the following conditions and in accordance with current legislation. It covers any defect that is accepted by the manufacturer.

Conditions: This guarantee does not apply in case of a defect or deterioration due to the wrong handling or to an accident. All materials used will tarnish over time, but it will happen much faster when it comes into contact with agents such as perfume, salty air, sulphur, skin creams, hairspray, chlorine and acidic skin ph. The amount of tarnishing that occurs is dependent on the skin and care habits of the wearer. Tarnishing and discoloration is therefore not a manufacturing fault.

We also strongly advise against exposing the jewelry to harsh chemicals, including ammonia, bleach, chlorine and salt water since this not only will tarnish the material but it can also result in the loosening of any embedded stones or glass crystals. Embrace Design encourages customers to remove the jewelry prior to cleaning, bathing and swimming and ensure that the jewelry is not exposed to UV light, hairspray, perfume and cosmetics.

We will not be liable for damage caused through the wearing of the jewelry or improper use. All complaints must be sent to an official dealer, and be accompanied by this certificate and the receipt.

## **WARNING:**

Embrace Design jewelry is not suitable for children younger than eight as small parts may present a choking risk. Embrace Design jewelry is not a toy, keep it out of the reach of babies and younger children!
